

A GREAT BACK DROP FOR YOUR DAY

STYLE YOUR DAY

Heskin Hall is

one of the best examples of Tudor architecture remaining in the North West of England. As a venue for a wedding there are few places that can match its charm and historical ambience. The Hall has a very interesting history, details of which are available on our website.

A warm and friendly, family run establishment, Heskin Hall likes to offer you as many options as possible to make your day your own. Our Packages are flexible and can be used as they are or as a template for your day. If you have any other ideas please just let us know!!

We know that your wedding day is one of the most important days of your life.

Our Wedding Co-ordinator will work with you to take as much of the stress off your shoulders as we can and to help you make the most of the charms of the Hall and the services we offer.

The remainder of this brochure aims to give you some idea of the facilities here at Heskin Hall. The nature of our service means however that everyones' day is different. We take pride in listening to you and converting your dreams and ideas into a day that is full of happy memories for you and your guests.

CEREMONY ROOM

Make your vows in our Ceremony Room

The Lantern Dining Room is where we provide formal dining and also were the “party” element of the day takes place.

Function suite

FOR MORE INFORMATION

Your wedding will be focused on in our Function suite.

YOU WILL START with a grand entrance through our Baronial Front Door into our Tudor Room set out by us either for your **Ceremony or as a reception Room**. We are Licensed for Civil Ceremonies for up to 100 people. Panelled walls and a feature ceiling add to the overall opulence of this room and provide a beautiful start to your day.

An essential is of course the Bar. Ours is spacious and well decorated. We also try to ensure that we keep as close to local “pub” prices as possible so that you and your guests can better enjoy your day.

We are fully licensed and do have drinks “Packages” which you can see later in this brochure. Again these are examples only and not “fixed in stone”.

We carefully select all our wines from a vintner. We stock good quality house wines palatable to all, as well as a selection of other fine wines from which you and your guests can make your selection.

LOUNGE

For those who need a break from the noise or want to continue the family gossip there is always the Lounge. Furnished for comfort and style with leather sofas and chairs it features a roaring log fire in the winter months.
